

**Session Program**

**25-27 Mar 2013**

**ESS Science Symposium on Neutron Particle  
Physics at Long Pulse Spallation Sources**

**Ultracold neutron sources I**

LPSC Grenoble, Amphitheater  
53 rue des Martyrs 38026 Grenoble Cedex

## Tuesday 26 March

11:00

### Ultracold neutron sources I

**Session** | **Location:** LPSC Grenoble, Amphitheater, 53 rue des Martyrs 38026 Grenoble Cedex

11:00-12:00

#### Intense sources of ultra-cold neutrons at long pulse spallation sources

**Speaker**

Mike Pendlebury

12:00-12:30

#### Spallation UCN production in He-II for nEDM measurement

**Speaker**

Yasuhiro Masuda

12:30
