

Session Program

25-27 Mar 2013

ESS Science Symposium on Neutron Particle Physics at Long Pulse Spallation Sources

Physics case II

LPSC Grenoble, Amphitheater
53 rue des Martyrs 38026 Grenoble Cedex

Monday 25 March

13:30

Physics case II

Session | **Location:** LPSC Grenoble, Amphitheater, 53 rue des Martyrs 38026 Grenoble Cedex

13:30–14:30

Low-energy precision experiments in the age of the LHC

Speaker

Adrian Signer

14:30–15:30

Fundamental Neutron Physics with Long-Pulsed Spallation Sources

Speaker

William Snow

15:30
