

Session Program

25-27 Mar 2013

ESS Science Symposium on Neutron Particle Physics at Long Pulse Spallation Sources

Welcome and Introduction

LPSC Grenoble, Amphitheater
53 rue des Martyrs 38026 Grenoble Cedex

Monday 25 March

09:00

Welcome and Introduction

Session | **Location:** LPSC Grenoble, Amphitheater, 53 rue des Martyrs 38026 Grenoble Cedex

09:00–09:10

Welcome

09:10–09:30

Status of the European Spallation Source and the Instrument Selection Process

Speaker

Dr Richard Hall-Wilton

09:30–10:30

The present status of particle physics with slow neutrons

Speaker

Dirk Dubbers

10:30
